

SulfoCan Nitro

Fertilizer N (CaO-SO₃)

24-0-0 (11-14)

Total Nitrogen (N)	24%
Nitric (N)	12,2%
Ammoniacal (N)	11,8%
Total Calcium (CaO)	11%
Total Sulphur (SO₃)	14%

Screen Analysis

Granular: 2.0 – 5.0 mm 90% minimum
<1.0mm 1% maximum

Color: White

SulfoCan Nitro combines in a balanced ratio (50:50) Nitric and Ammoniacal Nitrogen, with the multiple cultivation benefits of Calcium and Sulfur. It is the best choice for top dressing fertilization of winter cereals, and all crops in all types of soils.
